

2016 Demolition Derby Rules

1. **Only front wheel drive cars. Maximum V6 engine. No trucks, 4-wheel drive, rear wheel drive or all wheel drive vehicles allowed.**
2. **Must remove all glass and chrome except windshield. No smashing glass out, must be removed properly.**
3. **All doors must be welded, chained or bolted shut.**
4. **All cars must run a minimum 4" channel on the outside of the drivers door bolted at the front and rear pillars. Four bolts must be used.**
5. **Only air in tires, no chemicals of any kind.**
6. **Battery must be installed on the right front floor of the driver compartment.**
7. **If gas tank is in front of the rear wheels it can remain there. Must have two chains, one from rear to front, one from side to side bolted up through the floor. If gas tank is behind the rear wheels it must be installed behind the drivers seat and securely fastened to the floor with four chains, two going rear to front, two going side to side, bolted down through the floor.**
8. **Must use a fish net or chain link fence to completely cover the driver side window. Must be welded or bolted.**
9. **Absolutely no piping or reinforcement allowed except as in rule #4.**
10. **No antifreeze of any kind, water only.**
11. **Must run stock seatbelt. A four point harness is recommended.**
12. **Driver must wear full coveralls and full face helmet.**
